Dear Sir,

Please excuse us for not having answered your letter before.

We have not yet our Q.S.L. cards and therefore regret not to be able to send you one but will do so as soon as we receive them.

Here We can however confirm the simularity of your log and ours.

Here are some informations on our station that may interest you :

Station built by ourselves

Frequency.....9.700 Kcs

Power..... 200 Watts

Double antenna.....Hight 30 meters

We transmit every night from 7.45 p.m. to 8.45 p.m. local time.

We would be obliged if you would kindly send us from time to time the results of our transmissions.

We remain, Dear Sir,

Yours truly.
